

Hello everyone,

My name is Ms Ward and I am going to be your new class teacher in September when you join Uplands Junior School. Our will be class 3SW.

I joined Uplands Junior School six years ago and have been a teacher in Year 3, Year 4 and Year 6 since I have been here. Previously, I have worked in schools in Wolverhampton, Staffordshire and even Malaysia! I have liked every school that I have worked in but Uplands is my favourite school because our school is a happy and friendly place to be. I am sure that you will think the same too once you have settled in. You will have a lot to look forward to since we always seem to have something exciting going on.

In year 3, there are two other classes: 3GD, taught by Mrs Dattani and Mrs Gaunt and 3NJH taught by Miss Handscomb. Our team of teachers work well together and we try hard to create interesting learning experiences for you that you will enjoy! During the first half term at Uplands, we will be learning all about the 'Ancient Egyptians' in our Creative Curriculum lessons and also in English too. In science, we will be learning about forces and magnets. It's sure to be a lot of fun. I cannot wait!

Joining a new school can make us feel a mixture of emotions but please don't worry because we all feel like that sometimes. We will all help you to settle in and feel comfortable and also help you to understand how Uplands works. I'm sure that you will find that the staff at Uplands are warm, kind and friendly - we are all here to help you from your very first day with us. You'll also find that the children at Uplands are kind and friendly too. Playtimes will be great fun!

I am really am looking forward to meeting you all and welcoming you to our school as the new 3SW. Before then, I hope that you all enjoy your final weeks in Year 2 and also have a great summer holiday too.

See you all in September when we can all get to know each other!

Best wishes to you and your families,

Ms Ward
