

Hello to the new class of 3GD,

I am Mrs Dattani (this is a difficult name to say, it is pronounced Da-tar-knee. 🙌🙌 You are such a lucky class because you will have two teachers in September! That is very exciting. There will be Mrs Gaunt who will teach you on a Monday and a Tuesday and then I will teach you on a Wednesday, Thursday and Friday.

Mrs Gaunt and myself are very good friends inside and outside of school. We go to the cinema together, meet at the park, have sleepovers, we also like to go to Nando's together and Mrs Gaunt had a special role on my wedding day by playing the piano for me to entertain everyone. We also have children who are the same age that play together too.

We share the class because we both look after our small children at home. I have two little boys, Leo who is 6 and Louis who is 3. They love playing in the garden and they tire me out so much that going to work to teach 3GD is a bit of a rest for me! Besides from my children I also love animals (Mrs Webster Smith and myself love dogs and we often talk about our own dogs)

Not so long ago, I had 4 rabbits and 2 dogs! My pets make me happy and are very good for my mental health, mental health is really important to us at Uplands and you will hear lots about it when you start.

Uplands is a wonderful place and I have worked here for a long time now and there is no place I would rather be. It is a lovely school with brilliant people who care very much about the children. I look forward to meeting you all very soon.

Now that you know a little bit more about who your teachers will be in September, we hope that you are feeling as positive as we are about starting the new school year. We will be there to make sure that you know where everything is, who to talk to if you need to and to explain everything about the school day.

We are really looking forward to seeing you all and welcoming you as class 3GD.

Goodbye for now.

Mrs Dattani
