

Hello class 3GD,

My name is Mrs Wilson and I will be one of your class teachers in September when you start at Uplands Junior School. I will be teaching you on a Monday and Tuesday in Year 3; Mrs Dattani will be your class teacher on Wednesday, Thursday and Friday. We wanted to write to you to introduce ourselves so that you have some familiar faces to help you settle into your new school. Although I have been teaching for many years, I only became a part of the Uplands family last year, so I can completely understand that some of you may be experiencing mixed emotions about starting a new school. I can reassure you that Uplands is a very welcoming and happy place to teach and learn. We have lots of very kind and helpful teachers who want to make sure that the children feel safe and enjoy learning.

I have two young children of my own, Sebastian who is 5 and Lara who is 2. They both keep me very busy and when I am not working, we like to explore new places and spend quality family time together. I also love reading, running and generally being outdoors, keeping active.

Hello to the new class of 3GD,

I am Mrs Dattani (this is a difficult name to say, it is pronounced Da-tar-knee. 🙌🏻 You are such a lucky class because as Mrs Wilson said, you will have two teachers in September! That is very exciting.

We share the class because we both have small children at home that we need to look after, I have two little boys, Leo who is 5 and Louis who is 2. They love playing in the garden and they tire me out so much that going to work to teach 3GD is a bit of a rest for me! Besides from my children I also love animals (Mrs Webster Smith and myself love dogs and we often talk about our own dogs)

Not so long ago, I had 4 rabbits and 2 dogs! My pets make me happy and are very good for my mental health, mental health is really important to us at Uplands and you will hear lots about it when you start.

Uplands is a wonderful place and I have worked here for a long time now and there is no place I would rather be. It is a lovely school with brilliant people who care very much about the children. I look forward to meeting you all very soon.

Now that you know a little bit more about who your teachers will be in September, we hope that you are feeling as positive as we are about starting the new school year. We will be there to make sure that you know where everything is, who to talk to if you need to and to explain everything about the school day.

As you may know, things are very different at the moment and so it is even more important that we all work as a team and help each other, which is something that Uplands is great at.

We are really looking forward to meeting you all and welcoming you as class 3GD.

Goodbye for now. All the best.

Mrs Dattani and Mrs Wilson
