18th March 2020

IN THE EVENT OF A BLANKET CLOSURE.

Dear Parent/Carer

In the event of a blanket closure we would like to inform you of the provision we have made for home learning and how our communication will continue.

What work will be set for my child?

- On our School Website:- There will be a Home Learning Section (tab on the left hand menu)
 - Please select the appropriate Year Group for your child.
 - A3 Paper copies provided for Maths revision questions.
 - Year 6 Revision guides for English and Maths.
 - Year Group of ideas for each subject (within the home learning tab named 'Cross Curricular Ideas and Activities').
 - In each Year Group there is a list of useful free online resources.
 - This work is for parents to discuss with your children and is NOT to be brought back into school.
- If we have a long term closure this will be updated on a regular basis.

Online Learning.

- Children will all have access to 'Times table Rockstars', Mathletics and Spelling Shed. Their individual passwords are kept in their diaries so please ensure these are at home.

What if I need to contact school?

- Whilst we are closed if you have any questions or queries please email:- uplandsjuniorschool@wolverhampton.gov.uk

I would ask for your patience and understanding as I will be managing this system alone and will be checking this every working day. I will ensure that queries are shared with the relevant teacher, however please could this communication only be used for urgent situations and not for individual learning enquiries.

How will school contact me?

Our school will continue to post information on facebook and use the text messaging service. Any letters will also be shared on our school website these will be displayed under the 'Parent' tab on the home page. We have added a new section called 'News/Updates' for easy accessibility.

On a daily basis all arrangements in school will be reviewed in line with Government advice. We fully understand Parents concerns in these very trying circumstances please be assured we are doing the very best we can within the guidance we have been issued. Thank you for your continued support please look after yourselves and your families. We hope to resume normal operations as soon as possible.

Yours sincerely

Mrs Webster-Smith
Headteacher.
